The word "eyes" is rendered in a stylized, lowercase font. The letters 'e' and 'y' are dark blue, while 'e', 's', and the descender of 'y' are a golden-yellow. The two 'e's are designed to look like eyes, with a white sclera and a dark blue iris. Inside each iris, the word "heaven" is written in a small, dark blue, sans-serif font. A horizontal line divides the image, with the top half being a light beige color and the bottom half being a dark navy blue. The word "eyes" is positioned across this line, with the top half of the letters in the beige area and the bottom half in the navy area.
